Name changes, in the connection, are made on the basis of documents of mutation or a sale deed etc. The ration card is required to be produced as proof of occupancy of the premises. The applicant has a right to prove occupancy in any other manner of his choice. It is not obligatory to prove it by production of a ration card.

Ranjit Sagar Dam Project

3410. SARDAR JAGJIT SINGH AURORA:
SHRI HARVENDRA SINGH HANSPAL:

Will the Minister of ENERGY be pleased to state:

(a) what is the latest estimated cost of the Ranjit Sagar Dam Project;

(b) what amounts have been allotted so far and to what extent the work on the project has progressed;

(c) what is the scheduled completion date of the project; and

(d) whether it has been ensured that the project will not suffer owing to shortage of requisite funds?

THE MINISTER OF STATE IN THE DEPARTMENT OF POWER IN THE MINISTRY OF ENERGY (SHRIMATI SUSHILA ROHATGI): (a) The latest approved cost of the project based on 1986 price is Rs. 760 crores.

(b) A provision of Rs. 500 crores has been made for this Project in the Seventh Five Year Plan. For the years 1985-86, 1986-87 and 1987-88, the approved provisions were Rs. 75 crores, Rs. 100 crores (including Rs. 35 crores special plan loan assistance) and Rs. 120 crores respectively. At present, the work is going on in Diversion Tunnels, Spillway, Emergency & Hoist Shafts, Drainage Tunnels, Power Plant pit etc. The Phase-I excavation of all the Diversion Tunnels has since been completed and invert/overt concreting has started. Other infrastructural facilities like laying of 9.7 Km. rail track from Sujanpur to Shahpurkandi Township, 13 Km. long project road from Shahpurkandi Township to Dam site, Staff colonies for regular and workcharged employees, Workshops, store sheds, water supply system etc. have been completed.

(c) The first generating unit of the Project is scheduled for commissioning in September, 1991 and the remaining three units at interval of four months each thereafter.

(d) According to present indications the work on this project is not likely to suffer due to shortage of funds.

Delay in Commissioning of Captive Power Plant in Orissa

3411. SHRI BASUDEB MOHAPATRA:
KUMARI SUSHILA TIRIA:

Will the Minister of ENERGY be pleased to state:

(a) whether it is a fact that the Orissa State Electricity Board has not only delayed the commissioning of the country's largest captive power plant in the private sector but has also deprived the State of steady supply of additional power; and

(b) if so, what steps Government have taken to remove the bottlenecks in this regard?

THE MINISTER OF STATE IN THE DEPARTMENT OF POWER IN THE MINISTRY OF ENERGY (SHRIMATI SUSHILA ROHATGI): (a) and (b) Government have, in June, 1987
